BIG

On May 9, 2018 Northshore Senior Center is joining more than one thousand nonprofits in raising money to help build strong, vibrant communities! You can help by:

- Going to www.givebigseattle.org and **searching for Northshore Senior Center** between now and **May 9th** (look for our logo!) and donating! Any amount helps—\$10, \$100, \$1,000...ALL money raised supports NSC.
- Spreading the word! Let people know what a great Center we have and why they should support us in the GiveBig Campaign!

Thank you for your support of NSC! Now more than ever.
