Advisory Council Provides Linkage

By Barbara Anderson, Advisory Council Chairperson

The Northshore Senior Center Advisory Council, an essential link in the feedback loop between members, staff, Board of Directors and the four NSC sites, is seeking a second representative from the Mill Creek Senior Center. The Council meets 10 times per year and is composed of two representatives, each, from the Bothell, Kenmore, and Mill Creek Senior Centers and one from the Health and Wellness Center.

While the Board of Directors has fiduciary and governance responsibilities, The Advisory Council addresses on-the-ground topics. We suggest new programs, forward ideas and concerns that members have raised, and provide support for each other's sites.

In the past year, we've provided feedback on such topics as post-COVID protocols and programs, member recruitment, Website revision, fee structure, expanding diversity, new chairs, pickleball courts, and mental health needs. We inform staff of glitches and concerns that need to be addressed and those activities about which people are excited. If it can improve our services and programs, we want to hear about it, refine it, and pass it on to the appropriate people.

If you're active at the Mill Creek Senior Center and interested in joining the Advisory Council, please speak with Jerry Ann Graham (Mill Creek Representative) or Celeste Virago Lowe. You can contact Mill Creek Senior center at (425) 948-7170 or email advisory@mynorthshore.org.
